About Me

I am a Vocational College graduate with a strong technical foundation and practical experience through vocational skills training. I possess strong soft skills, proven through my active involvement as a Student Leader (MPP) and MFLS participant. I am committed to using my digital competence (Digital Intermediate Level) and teamwork spirit to contribute positively to your organization.

Experience

Technical Skills (Information Technology)

- **Digital Literacy:** Certified Digital Intermediate level by MDEC's Digital Competency Score.
- **System Maintenance & Troubleshooting:** Proficient in diagnosing and resolving common computer hardware and software issues.
- **Basic Networking:** Foundational knowledge in network configuration, including setup and cable management (e.g., LAN/WAN).
- **Basic Programming:** Exposure to core programming concepts and languages such as (HTML/CSS, JavaScript, Python)
- **Software Proficiency:** Proficient in Microsoft Office Suite (Word, Excel, PowerPoint) for documentation and data analysis.

Soft Skills

- **Leadership:** Proven through the role of Student Leader (MPP) and participation in the national-level MFLS program.
- **Teamwork & Collaboration:** Effective in working with diverse groups, demonstrated as a project committee member and a sports team member.
- **Organizational & Planning Skills:** Gained from serving as a committee member for major college events.
